Critical Illness Insurance

How will you pay for what your health insurance won’t?

Help preserve your lifestyle with
…Colonial Life’s Critical Illness Insurance

Have you thought about the financial problems a critical illness can cause?

Did you know?
Nearly a third (32%) of Americans report that their family has had problems paying medical bills in the past year, with 18% reporting bills in excess of $1,000.

- Kaiser Tracking Poll, 2008 – Kaiser Family Foundation

Even those of us who plan for the unexpected with life, disability and medical insurance may discover that some expenses can still remain unpaid. Without adequate protection, sufferers of critical illnesses might have to pull from their savings or rely on the financial aid of family members in their time of need.

Specified Disease Insurance helps fill the gaps in your health insurance.

With Colonial Life’s Specified Critical Illness Insurance, you’re paid a benefit that can help you cover:
- Deductibles, co-pays and co-insurance of your health insurance
- Home health care needs and household modifications
- Travel expenses to and from treatment centers
- Lost income
- Rehabilitation
- Child care expenses
- Everyday living expenses

You’re free to use the benefit however you choose.
And coverage is available for you and your eligible family members.

The Maximum Benefit Amount for this policy is 100% of the face amount for each covered person. We will not pay more than 100% of the face amount for all Specified Critical Illnesses combined. The policy will terminate when the Maximum Benefit Amount for Specified Critical Illness has been paid. Please see the definitions, exclusions and other details in the Outline of Coverage.
Health Screening Benefit

$50 per covered person per Calendar Year

New technology can help improve your chances of surviving a serious illness through early detection and treatment. We will pay this benefit if any covered person incurs a charge for and has any of the following screening tests performed while your policy is in force. No Lifetime Limit

- Stress test on a bicycle or treadmill
- Serum cholesterol test to determine levels of HDL and LDL
- Carotid doppler
- Electrocardiogram (ECG/EKG)
- Echocardiogram (ECHO)
- Chest x-ray
- Colonoscopy
- Mammography
- Pap smear
- PSA (blood test for prostate cancer)

24 tests included – See the Outline of Coverage for a complete list of tests.

How much Critical Illness Insurance do you need?

Are you prepared for the financial impact of a critical illness? Here are some sample costs to consider.*

- Health insurance deductible ($500) $ __________
- Out-of-pocket medical costs ($4,000 – may include hospital stay, physician co-pays, physical therapy, medical equipment, prescription co-pays) $ __________
- Alternative treatments (16 sessions = $2,400) $ __________
- Home health care (2 weeks = $800) $ __________
- Child care (4 weeks = $800) $ __________
- Lodging near health facilities (5 nights = $1,000) $ __________
- Other expenses $ __________
- Out-of-pocket expense total $ __________

*For illustrative purposes only. All figures are based on national averages. Your actual costs will vary.

Did you know?

1 in 3 men and women has some form of cardiovascular disease.

Heart Disease and Stroke Statistics – 2009 Update, American Heart Association

In the U.S., men have a 1-in-2 lifetime risk of developing cancer; for women the risk is a little more than 1 in 3.

Cancer Facts & Figures – 2009, American Cancer Society

Benefits are only payable for conditions diagnosed when the policy is in force.

This brochure highlights the benefits of policy form CI-1.0 or CI-1.0-PL4 (including state abbreviations where used, such as CI-1.0-TX). This is not an insurance contract and only the actual policy provisions will control. The policy sets forth in detail the rights and obligations of both you and us. It is, therefore, important that you READ YOUR POLICY CAREFULLY.

This brochure is not complete without the Outline of Coverage, form number CI-1.0-O, and state abbreviations where used.
